

CREATE YOUR OWN MUSEUM

at home

Lord Montagu started his collection with only a few vehicles which he put in the hallway of Palace House.

Over the Easter holidays we have a challenge for you. Could you create your own exhibition in your home.

Edward, Lord Montagu

An exhibition is a display of art or items of interest.

What could you include in your exhibition?

What will you need?

Your collection

Somewhere to display your exhibition

Caption Cards. You could print our templates or create your own.

- Things which are important to you
- Modes of transport in your family. - car, van, bicycle, go cart
- Artwork created by you or your family

You could start your own collection. Here are some things you could find outside.

What to do...

1. Create and gather your collection

2. Write out a caption card for each item. You could use our template or create your own.

Things you could include:

What is it?
Who made it?
What is it made from?
Why is it special?

3. Display your collection.

You could use:

A cardboard box
Egg box
Display art on the wall

Checklist:

- Big leaf
- Small leaf
- Sea shell
- Smooth Stone
- Green Lichen
- Beautiful daisy
- Piece of bark
- Soft feather
- Fir cone

You could also use these things to make some artwork.

- + Leaf or bark rubbings.
- + Use Lichen as a paint brush
- + Flower pressing

You could also create motoring themed pictures. See our colouring sheets as inspiration.
