**ORDER DETAILS AND TERMS**

I wish to apply to purchase a BRM Clock.

I understand I must provide a deposit of 25% of the purchase price to secure a piece which is only refundable in the event of the project not continuing due to lack of overall demand for the pieces by 1<sup>st</sup> November 2018 or if all released pieces are reserved before my application is received and / or processed. In these latter two cases monies will be returned.

I understand that I am not guaranteed a particular edition number and will be allocated a numbered piece on a random basis.

I understand I have to pay the balance of the monies owing within seven days of such a request by the National Motor Museum Trust, and such monies must be cleared, on the purchase before the piece will be released to me. Such payment will only be sought when the piece is ready for dispatch. Title in the clock will not pass to you until payment is made in full and cleared funds are received by the National Motor Museum Trust.

If requiring delivery of the BRM Clock I understand I must pay for any additional costs involved in postage & packaging to any country outside of the UK and relevant insurance whilst in transit involved in such delivery before it is dispatched.

I understand the delivery date of the piece is not guaranteed but that The National Motor Museum Trust and its suppliers will endeavour to deliver the piece by 31<sup>st</sup> December 2018

Risk of damage to or loss of, the clock will pass to you when it has been delivered.
